

Elevation B

The Preston

The Preston is designed for family life with its open concept family room and kitchen. The bonus room is located just off the family room allowing the kids to have their own space while not being far away from the rest of the family.

For all elevations, side and front entry garages vary by community.

The Preston

This five bedroom home has space for everyone. The bedroom on the first floor is perfect for your overnight guest. Three large secondary bedrooms upstairs with two full baths allow each child to have their own room. The large master suite should not be missed with its trey ceiling and spacious bath.
